November 2024

Healing Circle

On 25th November, we hosted the Healing Circle with Red Door at The LaLiT New Delhi! It was a powerful gathering for healing, mindfulness, and connection. Through shared experiences and guided meditations, we fostered a supportive space for growth, resilience, and inner peace. The event was a beautiful reminder of our shared journey toward healing and connection. We look forward to more gatherings like this in the future!

Transgender Awareness Week (13th – 19th November)

This Transgender Awareness Week, we celebrate the courage, resilience, and diversity of the trans community. It's a time to uplift their stories, listen with open hearts, and stand against prejudice and inequality.

Each journey of self-discovery is a powerful reminder of the strength it takes to live one's truth. Despite facing systemic barriers and discrimination, transgender individuals continue to inspire. This week, let's break down stereotypes, challenge biases, and work toward a world where everyone is treated with dignity and respect.

Queering The Pitch (New Delhi)

On 16th November 2024, the Keshav Suri Foundation and Vidhi Centre for Legal Policy hosted "Queering The Pitch" at The LaLiT New Delhi. The event gathered 45 participants, including activists and legal experts, to discuss challenges faced by the queer community and explore innovative legal and policy solutions. This consultation marked a significant step in advancing inclusivity and equality through collective dialogue and collaboration.

Internship Mela(Outreach Event) Karma Centre

The Keshav Suri Foundation (KSF) had the privilege of participating in the Internship Mela organized by Karma Care. This exclusive event served as a vibrant platform where budding psychologists had the opportunity to engage with industry professionals, fostering meaningful connections and gaining insights into the mental health and social impact sectors.

At the mela, KSF actively interacted with aspiring psychologists, sharing the foundation's vision, initiatives, and ongoing projects. The session was an excellent opportunity to introduce students to KSF's work in areas like mental health awareness, queer affirmative counseling, and DEI (Diversity, Equity, and Inclusion) practices.
